Speaker Biographies/Contact Information

Gary W. Erbeck, MPH, REHS, retired Director of the Department of Environmental Health, County of San Diego.

Email: [garyerbeck@gmail.com](mailto:garyerbeck@gmail.com)

Gary Erbeck recently retired as the Director of the Department of Environmental Health for the County of San Diego. Mr. Erbeck has developed many innovative environmental public health programs in the areas of food safety, vector borne disease, clean water and environmental health program outcome measurements.

Mr. Erbeck has been presented with the California Environmental Health Association's Vince Dunham Memorial Award for lifetime achievement in environmental public health, a President's Citation from the National Environmental Health Association for his work on behalf of environmental public health in California and the Beverlee A. Meyers award for excellence in public health practice by the California Department of Public Health.

He is a member and Past President of both the California Conference of Directors of Environmental Health (CCDEH) and the California Association of Environmental Health Administrators.

Mr. Erbeck will speak at 8:00 am on Thursday May 26, 2011 in the San Carlos Room.
