Dr. Duc Vugia, MD, MPH, Chief, Infectious Diseases Branch, California Department of Public Health

Phone: (510) 620-3434
Fax: (510) 620-3425
Email: duc.vugia@cdph.gov

Dr. Duc Vugia has been Chief of the Infectious Diseases Branch at the California Department of Public Health since 1995. He was trained in Internal Medicine; Infectious Diseases, and Epidemiology, and has worked for the US Center for Disease Control (CDC) and Prevention before returning to California in 1994. As Chief of the CDPH Infectious Diseases Branch, he worked with local, state, and federal partners to address many local and multi-jurisdictional public health problems including foodborne and waterborne diseases and outbreaks. From 1994 through 2009, he was the lead for FoodNet in California, FoodNet being a national foodborne disease surveillance network.
